Report of Examination and Audit

HUNT'S ACCOUNTING SERVICE
4 HIGH STREET
HAMPTON, NEW HAMPSHIRE

January 24, 1957.

Board of Selectmen,
Exeter, New Hampshire
Gentlemen:

Submitted herewith is the Audit Report as made by Hunt's Accounting Service, as requested by the vote of your Town.

Scope of Audit

All departments of the Town government were audited: The Board of Selectmen, Treasurer, Tax Collector, Clerk, Trustees of Trust Funds, Municipal Court, Police Department and Library.

Financial Statements

Exhibit A-1 contains the Balance Sheet for a two-year period. This Exhibit reflects the Assets (or accounts due the Town) and the Liabilities (or the accounts owed by the Town). The difference of which would show a Surplus or Debt whichever was larger. The financial condition of Exeter at the end of December 31, 1956, shows a small Net Debt of $29,328.29.

Exhibit A-2 contains the change in financial condition during the year. The debt increased by $4,074.03, made by the following changes:

Budget Deficit (Exhibit A-4)	$5,067.53
Taxes Deeded to Town	6.50
Total Increase	$5,074.03
Reduction of Indebtedness	1,000.00
Net Increase	$4,074.03

Exhibit A-3 shows the appropriations as raised by the Town vote, receipts and reimbursements of appropriations, expenditures, and balance as under-expended and over-expended. The final over-expenditure of $20,740.27 is shown in the budget summary on Exhibit A-4.

Exhibit A-4 shows the anticipated revenues and the amounts actually received by the Town. The final excess of revenues was $15,672.74 as shown in the Budget Summary.

Departments

Exhibits B-1 through K show the various town officers' accounts. All monies were accounted for by reconciling with the depository banks. Payroll accounts were checked and remaining balances verified.

Verification notices were sent on all delinquent taxes for the 1956 levy.

Recommendations

A new payroll system was recommended and adopted for the Police Department.

The parking meter fund at the close of 1956, shows a Balance Due the town of.....	$2,586.62
At the close of 1955, the Balance Owed the town was	2,204.33
Increase of Balance Due the Town.....	$382.29

This fund is being over-expended each year and eventually an appropriation will have to be raised to balance the account. May I recommend a reduction in the expenditures from this fund.

To the officials of the Town of Exeter, many thanks for the cooperation and aid given to me during the course of the audit.

Very truly yours,

HERBERT E. HUNT,

Auditor.

Superintendent of Highway Dept. Report

To the Board of Selectmen and Town Manager:

Herein is my report for the year 1956 accounting for some of the major activities of the Department.

The weather played a big part in our activities of the past year. It caused a considerable overdraft in our winter maintenance account, due to the heavy snow storms during February, March and December. The weather also reflects in our overdraft in general expense because of the additional work required of the equipment causing more repairs, gasoline etc.

We were able to apply about 60,000 gallons of asphalt seal coat on several of our streets.

We were also able to complete surfacing on three newly accepted streets and did some grading on others.

Portsmouth Ave. from High St. to Highland St. was resurfaced along with the sidewalks and some new curbing installed.

Approximately 2450 ft. of Front St. from the railroad tracks to the compact area line was resurfaced with State matching funds. We have a balance of $5870.00 which the State will match for 1957 work.

In September the highway accounts were audited and the bookkeeping transferred to the Town office under the Town Manager. Elsewhere in the town report is the break down of expenditures for the various highway accounts.

Again I wish to thank the members of the Department, town officers, other Departments and citizens for their cooperation this past year.

GORDON A. RAY.

Public Library Report

To the Library Committee:

It is with sincere pleasure that the following report is presented. I wish to draw your attention particularly to the reference work and the circulation. These matters are of vital concern to all libraries.

The year 1956 has shown a steady increase in the amount of work necessary to help the school students. Many days all chairs are occupied by busy workers. The addition of several excellent sources such as "Shephards Historical Atlas" "Encyclopedia of Latin-American History" by Martin and Lovett and the eleven volume set of "Book of Popular Science" by the Grolier Society have been very valuable assets.

This growing demand holds true as well for the pupils of the lower grades. The Juvenile room is well equipped with good encyclopedias and they are put to good use.

Our circulation showed an increase of over two hundred in the Childrens' Room. This is partly due to the teachers taking large amounts of books for use at school. By this plan the teachers have been doing a splendid job in encouraging the pupil to read more.

Adult circulation dropped over four hundred but since the number of new borrowers is increasing it is certain that another year will show an upward trend.

The observance of National Art Week was made more impressive by the exhibition of water color paintings through the courtesy of Mrs. Helen Bragdon. This was supplemented by drawings and paintings from the grades of the Elementary School.

There were four story hours held during the first of the year. Attendance was not large enough to warrant the continuing of such a project. At this time the writer wishes to thank the Junior Woman's Club for their kindness in providing the readers for us.

Three of the elementary grades accompained by their teachers visited the library and received instruction by Mrs. Summerfield. Such groups are always welcome and we encourage them to come at any time.

The painting "Crossing the Brook" by Elizabeth Gardner Bouguereau through the generousity of Miss Margaret Kent, a former library trustee, has been moved from the Robinson Seminary to the Library. The town should be extremely grateful to Miss Kent for her thoughtfulness in seeing that a valuable piece of art given to the town should be preserved in a fitting place where people can enjoy it.

The Library Committee purchased a Return Box for books which has proved to be of value to people who can't always come to the library during the open hours.

During the year we have received gifts of books from friends and the Davis Library. Sincere thanks goes to both sources for their thought of the library.

The staff welcomes our new committee member Mrs. Constance Perry who replaced the Rev. Paul T. Martin.

The continued loyal support and cooperation of the staff and Library Committee is deeply appreciated.

Respectfully submitted,

HARRIETTE M. PIRNIE,

Librarian.
